Interior Design	SID01	Interior Design I	2	Glass Mosaic	SGM01	Glass Mosaic I	2	*Our course basically has two parts: One is the normal class with instructor. Another, called 'Independent Study', is the class without instructor after the normal class but the students work independently to develop their own works followed by the teacher's instruction. The normal class is that students learn to understand technique, skills and art with instructors, and Independent study is the class to create students' own work by themselves, which are effective in achieving great educative results. *Accademia Riacci reserves the right to withdraw or modify the courses of instruction or to change the instructors as may become necessary. *The professors may be changed without prior notice.
